Attention:

So, if you've visited our site or seen the comments on Batoto, you'd already know this, but if not... we no longer have one of our Chinese translators. He covered this series and several others. Zefkiel has offered to cover 1 chapter a week of Yaoguai Mingdan continuing from Chapter 32, in hopes that somebody will take his place. I am doing my best to do damange control, but with an editor also leaving, things aren't going too well. That being said, we'd really appreciate a dedicated translator for this series, as well as for Mori Xingguang. Also, ediors would be VERY appreciated, as I have been left as the sole editor for this group. That means that unfortunatly, I will not be able to do release the series we do have a translator for as quickly. So, this series will be continued, just at a slowed pace, unless one of our lovely readers would like to come translate for us. All staff is welcome, and due to how abrupt this has all been, I'm willing to train in order to get this all sorted out. Thanks for your patience. Contact us here:

Update:

Hey everyone, Zefkiel here (translator of Wang Pai Yu Shi). I have decided to pick up YaoGuai's translations for now, so at the moment I will have 2 series. I do not have the time to update both series weekly right now, so I am going to update each series bi-weekly (update YaoGuai one week and WangPai the next). This will probably not change for the next month, but in the summer I might have more time and I will try to update more often. Anyways, thanks for the support.

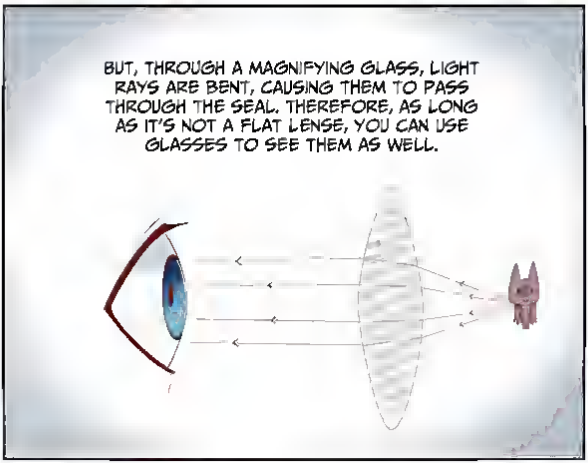
I THINK YOU'RE ALSO AWARE..
THAT YOU'RE NOT A NORMAL PERSON.
I KNOW THAT, BUT YOU'RE NOT TELLING ME ANY-THING...
YOUR REAL POWER IS THE ABILITY TO SEE A MONSTER'S TRUE FORM.

腾讯动漫
AC.QQ.COM



BUT, THROUGH A MAGNIFYING GLASS, LIGHT RAYS ARE BENT, CAUSING THEM TO PASS THROUGH THE SEAL. THEREFORE, AS LONG AS IT'S NOT A FLAT LENSE, YOU CAN USE GLASSES TO SEE THEM AS WELL.

腾讯动漫
AC.QQ.COM

BUT I GREW UP AS A NORMAL PERSON...
You saying this kind of thing now is kinda hard for me to take in.
FOR YOUR SAFTEY, THE SEAL HIDES YOU FROM MONSTERS.
LAST TIME, WHEN YOU BROKE THE SEAL, IT TRIGGERED A SELF-DEFENCE MECHANISM. IT THEN REPLACED ITSELF, MAKING YOU HIDDEN ONCE AGAIN
BUT, IN THOSE COUPLE OF SECONDS, YOU COULD'VE CAUGHT THE ATTENTION OF SEVERAL MONSTERS...

ANYWAYS, MAKE SURE NOT TO GET CAUGHT BY ANOTHER ONE OF THEM.

HEY, FENG XI? DID YOU ONLY RECENTLY FIND OUT THAT MONSTERS EXIST IN THIS WORLD?
HUH?

ACTUALLY, OUT OF THE ENTIRE COUNTRY, ONLY THIS DISTRICT HAS ANY MONSTER IN IT. I GUESS IT'S ONLY NATURAL THAT YOU DIDN'T KNOW BEFORE

腾讯动漫
AC.QQ.COM

THIS AREA HAS A VORTEX, CREATING A BLACK HOLE OF SORTS IN THE DISTRICT
MONSTERS CAN'T LEAVE. THE STRONGER THE MONSTER IS THE FURTHER IT CAN MOVE AWAY FROM THE VORTEX THEY STILL CAN'T ESCAPE THE BLACK HOLE. HOWEVER

BASED OFF THAT, IT WOULD MAKE SENSE THAT I WASN'T ABLE SEE STRANGE THINGS WHEN I WAS LITTLE, BUT ONLY AFTER I CAME HERE FOR COLLEGE.
